

NB2000

Economical LED Retrofit Light Bars for Cabinet Signs

NB2000 is designed to retrofit into existing LFL cabinet signs to replace conventional fluorescent tubes with modern LED technology. **NB2000** is offered in various lengths to suit every need. The product is competitively featured for those looking for an economical option without compromising quality.

Improved Lighting Performance

- End caps rotate for precise placement of even light on sign face
- Existing fluorescent R17d sockets hold new light bars
- Easy installation saves labor costs
- Improved visual appearance and sign face coverage
- Long system life slashes maintenance costs
- 5 year warranty
- IP66 Rated Separate Enclosure Required
- 24V System
